### Feast of the Immaculate Heart of Mary

June 20, 2009

*You prepared the heart of the Virgin Mary to be a fitting home for your Holy Spirit. By her prayers may we become a more worthy temple of your glory.* (Opening Prayer for the Mass of the Feast.)

Dear Friend of Our Lady of Guadalupe,

**The Immaculate Heart of Mary reveals Mary's great love for us** in response to Jesus' request to her from His Cross, "Woman, behold your son!" (John 19:26). We are her sons and daughters! Mary revealed her Immaculate Heart at Fatima **and she wants the love of our hearts in return**, in response to Jesus' request from His Cross, "Behold your Mother!" (John 19:27).

In the midst of World War II, Pope Pius XII consecrated the whole world to the Immaculate Heart of Mary. In 1944 he instituted today's feast for the whole Church so as to obtain by her intercession "peace among nations, freedom for the Church, the conversion of sinners, the love of purity and the practice of virtue."

We need "the love of purity and the practice of virtue" to end our Culture of Death! Her Immaculate Heart must be pierced with a sword of sorrow (see Luke 2:35) because the Commencement Address for her University of Notre Dame (Our Lady) was used as a pulpit by the most pro-abortion President in American history.

The Call to Total  
Consecration to the  
Immaculate Heart of Mary.

### President Obama Preaches at Notre Dame

Notre Dame's diocesan Bishop D'Arcy said, **"President Obama has brought the American government, for the first time in history, into supporting direct destruction of innocent human life."**

Mr. Obama as a legislator voted in favor of partial-birth abortion and sponsored, and promised to sign as President, the Freedom of Choice Act (FOCA) which would remove all abortion restrictions. As President he granted \$430 million dollars in the midst of our recession to provide for foreign abortions and signed an Order to allow and pay for the killing of embryos for scientific research which has so far proved worthless.

Notre Dame's President said that hosting President Obama would be the start of a dialogue. Dialogue presupposes openness to the truth. **But the President did not go to dialogue.** In fact, he told the Notre Dame students, "No matter how much we may want to fudge it . . . the fact is that at some level, the views of the two camps are irreconcilable." So that was the end of the dialogue. He preached the Golden Rule law but he is not open to the possibility that abortion is a

violation of it and the Law of the Fifth Commandment against killing.

**The President preached, “For if there is one law that we can be most certain of, it is . . . the Golden Rule - the call to treat one another as we wish to be treated. . . Remember that each of us, endowed with the dignity possessed by all children of God, has the grace to recognize ourselves in one another; to understand that we all seek the same love of family and the same fulfillment of a life well-lived.”**

The President’s preaching of the Golden Rule ignored an entire class of human beings - our prenatal brothers and sisters. He expressed no desire that they be treated as he wishes to be treated – “to have the fulfillment of a life well-lived.”

In the days of slavery, the slavers preached the Golden Rule for all except their slaves. The face of evil may change from slavery to abortion but it wears the same mask of the Golden Rule. **We must look beneath the mask of love to see the true evil for what it is – a wolf in sheep’s clothing.**

Amazingly, the Notre Dame students gave the President a standing ovation which gave the impression that his position of abortion on demand was completely acceptable to them. Is it because he is handsome, charismatic, and a bright orator that his evil policies are applauded without any thinking?

Here is a man who appeared out of semi-obscurity with little experience or track record and became an overnight idol because of some meaningless sound bites that he spouted like “hope” and “change.” There is no change for our prenatal brothers and sisters whose lives are at-risk and without hope from him.

Jesus said that Satan was a liar and a murderer from the beginning and Satan continues to promote these evils today. **But when abortion is charmingly packaged and proposed as reasonable and compassionate while pro-lifers are called divisive and violent, we must choose rightly.**

Moses told the Jewish people, “I call on heaven and earth today to witness against you: **I have set before you life or death, blessing or curse.**

**Choose life, then, so that you and your descendants may live.”** (Deuteronomy 30:19). So let us choose and work for life! Help us to reach the youth with the truth! Help to sponsor me for youth conferences. Please host a Visitation of an image of Our Lady of Guadalupe or Our Lady of America for Hours of Prayer for Purity, Life, Peace and Protection!

Our Lady of America is our hope, not the President of America! Let us pray for him to come to the knowledge and love of the one true God. We love Him, as Jesus said, by keeping His Commandments (especially the Fifth)!

**We are broken people who need to re-learn the love, prayer and peace of a child’s heart in order to be one in the Sacred Heart of Jesus and the Immaculate Heart of Mary.** Her love for Him took root and grew in her heart becoming a living faith, a living love, faith in action as her perfect response to His will. Her perfect response is the reason that Mary is the Mother of All Nations and Peoples. This will be the fifth Marian Dogma.

## **Fifth Marian Dogma**

Please join us in respectfully asking our Holy Father, Pope Benedict XVI, to proclaim the fifth Marian Dogma that **Mary is the Spiritual Mother of All Nations and Peoples under her three essential aspects as Co-redemptrix, Mediatrix of All Graces and Advocate.**

Forty Cardinals and Bishops have also petitioned the Pope to proclaim this Dogma. The petition specifies that this Dogma would constitute a significant contribution to the Church’s mission of ecumenism. It would clearly specify that the human participation of Mary Most Holy in the work of Redemption is completely subordinate and dependent upon the role of Jesus Christ, who alone as our divine and human Redeemer could satisfy God’s infinite justice and remove the true burden of sin.

**The Dogma would specify that Mary is not on a level of equality with Jesus Christ, but would rather explain her unique cooperation with Jesus in the work of Redemption.** From the Annunciation to the Crucifixion, Mary is the one who accepted to receive the Word made flesh within her

and then accepted His death on the Cross for our salvation.

Moral degeneration, natural disasters and regional wars and terrorism increase in our world. We need the “era of peace” prophesied by Our Lady of Fatima. **The proclamation of the fifth Marian Dogma will help to bring this era of peace.**

**You can show your love for your heavenly Mother by respectfully requesting the Pope to proclaim it. This is what you can do:** Use the enclosed Petition form, reproduce it, get as many signatures as you can and return it to me and I will mail it to the Pope. You may also download the Petition from here: [www.voxpopuli.org](http://www.voxpopuli.org).

## The Call to Total Consecration to the Immaculate Heart of Mary

Dan Lynch

**This book reviews Our Lady’s apparitions at Fatima and Medjugorje and her locutions to Father Stefano Gobbi of the Marian Movement of Priests. It demonstrates that the consecration formula which most perfectly fulfills Our Lady’s request is the Total Consecration of St. Louis de Montfort. This is the consecration that Pope John Paul II personally made and recommended to us. Let us follow his example!**

*“I used Dan Lynch’s book as a resource for my talk on the Total Consecration. Of the many books I have received, this is one of the very few that I actually read and enjoyed!”*

Our Lady of America appeared to Sr. Mildred and revealed that, "Those who wear the medal with great faith and fervent devotion to Our Lady will receive the grace of intense purity of heart and the particular love of the Holy Virgin and her Divine Son. The reverse side of the medal shows the Coat of Arms of the Christian family with the Triangle and the Eye on the shield of the Precious Blood, through which sanctifying grace was made possible to fallen mankind.

***Saints of the States***

***Dan Lynch***

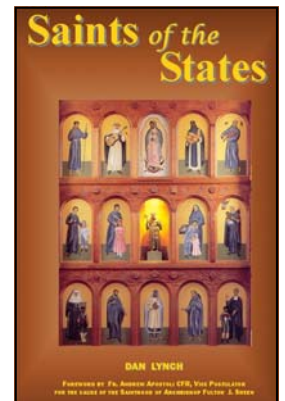

***The book that Pope John Paul II requested!***

"A collection of short biographies of the Saints and the Beatified of America, which can shed light on and stimulate the response to the universal call to holiness in America." (Pope John Paul II, *The Church in America*).

Fr. Andrew Apostoli CFR, Vice Postulator for the cause of the Sainthood of Archbishop Fulton J. Sheen, wrote the Foreword and said,

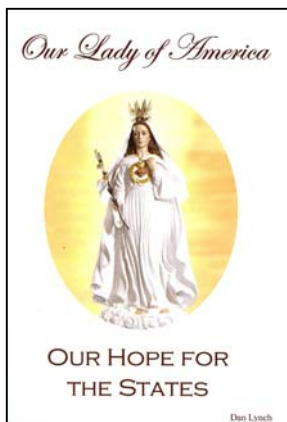

"This book is a wonderful contribution to appreciate the rich spiritual heritage we possess in the lives of so many heroic men and women of America. Dan Lynch traces the historical development, both secular and religious, through the centuries."

"Catholic Explorers and Missionaries courageously spread the faith! The soil for sanctity is enriched by the blood of martyrs! Individual saints help mold the Church in America and significantly influence the beginning and growth of the States! The Church continues to harvest rich fruits of sanctity!"
