Feast of the Sacred Heart of Jesus June 11, 2010

"One of the soldiers opened His side with a lance, and immediately there came out blood and water." (John 19:34).

Dear Friend of Jesus King of All Nations,

Venerable Pope Pius IX, along with 557 Bishops and Superior Generals, invited all the faithful to consecrate themselves to the Sacred Heart of Jesus on the 200th anniversary of the Lord's apparitions to St. Margaret Mary on June 16, 1875. Pope Leo XIII decreed that the consecration of the entire human race to the Sacred Heart of Jesus should take place on June 11, 1899.

St. Margaret Mary said, *"He showed me that it was His great desire of being loved by men and of withdrawing them from the path of ruin into which Satan hurls such crowds of them, that made Him form the design of manifesting His Heart to men, with all the treasures of love, of mercy, of grace, of sanctification and salvation which it contains, in order that those who desire to render Him and procure for Him all the honor and love possible, might themselves be abundantly enriched with those divine treasures of which this Heart is the source."*

Jesus King of All Nations revealed that His Devotion is to be a companion devotion to that of the Sacred Heart. In the Image of Jesus King we see Him particularly vulnerable with His arms spread wide and His wounded Heart exposed pouring His merciful blood and water onto our heartsick world. There is no doubt that today more than ever, we must practice the Devotion to Jesus King of All Nations.

Jesus King said that our ideas must grow not in the mind but *"in the heart"* to become a *"living love."* He said, *"When in the mind, the image remains but an idea, but once the soul allows it to take root and grow in the heart, it becomes a living faith, a living reality, a living love, faith in action. This was My Mother's perfect response to the Will of God."*

"O Jesus, King of All Nations, may your Reign be recognized on earth!"

Jesus gives us His Heart. He desires that His reign be recognized by the love of our child-like hearts. In the world today, hearts have been desensitized and have grown cold. When we consecrate ourselves to the Heart of Jesus, we allow Him to form our hearts like His. We can then show our love for Him by helping to repair for the world's growing contempt of Him through loving His Mother and loving one another from our hearts.

In the prayer of the Church, we pray, "*Jesus meek and humble of heart, make our hearts like unto Thine.*" In order to practice the Devotion to Jesus King and have "*peace in our hearts and in our homes*" as Jesus promised those who practice this Devotion, we must have meek and humble hearts, hearts open to grace and to Christ's invitation to follow Him.

In our times we must have the courage and zeal to boldly proclaim, without apology, the Gospel of Jesus Christ, the teachings of His Church and the practice of the Devotion. We cannot make this happen on our own. In His mercy, Jesus has given us the great theological virtues of faith, hope and charity. We have nothing to fear, but simply to step forward and be a voice for Jesus King of All Nations in our everyday lives by our meek and humble actions which speak louder than words.

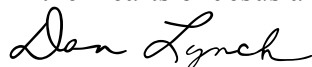

One way to do this is to help us to continue to spread the Devotion of Jesus King and by hosting a Visitation of His Image. By hosting a parish or home Visitation, you will be sharing your faith in Jesus Christ. You will be spreading hope to those who join in the prayers of the Devotion and veneration of the Image. You will be showing great charity to those who have not yet come to know the Love of God.

You can also help us to promote the Devotion with your prayers and financial support. **Will you help us today with a generous gift?** Many people are seeking respite and rejuvenation during the summer months. Yet we are still working diligently to spread the Devotion and to send the Image out to parishes, homes, hospitals, schools, nursing homes and prisons. **Please remember us this summer as we rely solely on your help! And please keep us in your prayers.**

We remember your intentions in our daily prayers and in our perpetual Novena in Honor of Jesus as True King, our weekly holy hour before the Blessed Sacrament and in our special monthly Masses.

Your help has been invaluable to us. Thank you. May the Sacred and Immaculate Hearts of Jesus and Mary bless and watch over you and your loved ones.

In the Hearts of Jesus and Mary,

Dan Lynch
